

SUCTION HARVESTING: Let's keep a great project going!

Saturday, Aug. 15th at 8:30 AM (weather permitting)

Meet at Rico & Judy Colaluca's

VOLUNTEERS ARE ALWAYS NEEDED!!!

- **DIVERS:** to do the underwater work
- **WORKERS ON THE HARVESTER:** to move the retrieved milfoil into bags for transportation to shore
- **BOATERS/KAYAKERS:** to help scoop up stray pieces of milfoil, using a small net or similar "catching" device; & to keep boats from approaching where diver is located

SEND your name, contact information, including phone #, and what job you can do to:

Aaron (plumsupply@aol.com)

Thank you to all who have been helping to combat milfoil and avoid the use of herbicides! Please continue, and others, join in and help if you can.
