

Dear Members & Friends of SDRA,

Board members have been working diligently to launch our next major fundraiser. The format is similar to our Bella's fundraisers that have proven to be a wonderful social event and financial success. The venue change this year was necessary to enable us to align a quality location with Kevin Kitson's and The Black Tie Affair band's schedules. ***Their generous donations are extremely important and highly valued - but our strong participation is also essential.*** Details follow, including guidance on the ways your participation will matter if we are to achieve success - all toward the goal of achieving and sustaining a healthy lake.

Thank you!  
Janice Baker, President, on Behalf of the Board
